Some possible questions for discussion or as a prompt for a reflection paper:

- Why are you interested in volunteering abroad?
- How can you do good in the world?
- What are the appropriate attitudes when volunteering?; How can you foster these?
- Why and how do “global development and personal development go hand in hand?”
- How will you adopt a “learning mindset”; How will you posture yourself as a learner?
- What does “learning for action” mean and what could this look like?
- How do or can our daily actions impact the world?
